The organizer **Curaçao Boxing Association** (CuraBox) is a non-profit organization and as national federation the umbrella organization for all clubs, teams and gyms in Curaçao that practice boxing.

The activities of CuraBox, like this event, are non-commercial and the income from entrance fees is solely to cover expenses as much as possible.

Amateur boxing competition in Curaçao may only take place by and/or under the auspices of CuraBox.

Participants may be:

- Boxers residing in Curaçao and from Curaçaoan clubs.
Clubs must be members of CuraBox and not have any outstanding annual membership fees.
- Boxers residing outside Curaçao, but born in Curaçao and/or with Curaçaoan parent(s).
- It is possible for two boxers from two different weight classes that are close to each other to box in a so-called prestige bout, in which both become champion of their respective weight classes. For example, a -65 kg boxer could box against a -70 kg boxer.
- For boxers for whom no opponents can be found despite this, an opponent from abroad could possibly be sought, if the budget allows. If the club of the boxer in question considers it important that his/her boxer fights a bout, it may contribute to the costs of finding an opponent for his/her boxer.
- Title fights will only be held in the class where we have boxers worthy of being champions.
Based on previous results, it will be determined whether one is eligible to box for the championship title. If not, one may participate this day in a non-title bout.
- If local fights can be matched, there will also be Thai boxing fights under the auspices of CUMAFE.

Registration

The deadline for registrations for the event on October 3rd 2026 is August 21, 2026.

Registration does not guarantee a bout; however, the sooner you register, the greater the chance of securing a bout.

If the boxer(s) have not done so earlier this year, the registration form (see the link below) must be submitted as a signed hard copy.

Competition record book

All boxers must present their competition record book during the weigh-in/medical check.

If a boxer from a Curaçao club does not have one, it can be purchased by paying 10 guilders and providing a face photo and a completed registration form (see the link above).

For promotional purposes, we need the following from each boxer before September 1st, 2026:

- Photo in boxing stance with bare fists and white background
- Action photo during a bout (if applicable)
- Photo of the boxer being declared the winner by referee raising the boxer's hand (if applicable)
- Photo with prizes won, such as trophies, medals, belts (over the shoulder), etc. (if applicable)
- 10-second video of a competition moment (if applicable)
- 10-second video of training
- 30-second favorite music, for example walk-on/entrance music

Weigh-In & Medical Check of all boxers by Ringside doctor.

The weigh-in and medical check will take place on the same day as the competition, October 3rd.

Time and location will be announced later.

Sanction for not meeting the agreed weight limit

We discourage weight cutting and emphasize registering boxers in “walking weight”.

If one fails to meet the weight limit, one also disadvantages the organization and the opponent, as his or her bout will not take place. Failure to meet the agreed weight limit results in losing the bout by walk-over and a temporary ban from participating in boxing competition.

Entering the ring

Send the youtube link of your boxer(s) entrance song(s) to info@boxing.cw before September 26, 2026.

Please consider if the songs contain any explicit language (swear words).

If a boxer has been called to enter the ring, (s)he has 1 minute to appear in the ring ready for the bout, so Vaseline must be applied before entering the ring. Only headgear are worn in the ring.

Rules, clothing/wear, equipment/gear and Coach/Corner(wo)men

You are expected to be familiar with the rules, as you have declared by signing the registration form and the code of conduct. Below is a link to the summary of the rules.

<https://boxing.cw/wp-content/uploads/sites/66/2026/06/CuraBox-competition-rules.pdf>

The boxing gloves used during bouts are provided by CuraBox.

The rest, like footwear, mouthpiece, groinprotector, velcro bandages (professional handwraps with tape and gauze are NOT allowed), red and blue uniform, is the responsibility of the boxer and his/her team.

The boxer(s)' team must provide their own water, ice, and supplies such as a bucket, towel, etc.

For “het instoten” during the warm-up, one must use their own boxing gloves. This may not be done with the boxing gloves used during the bout.

Coach and Corner(wo)men. A boxer can be assisted in the corner by a maximum of 3 people during a bout.

If a team has multiple participants, the composition may change per bout; however, a maximum of 3 people per team receive free admission to the event. All must have read and signed the code of conduct, see

Be present on time

Every boxer is expected to be on time for the press conference, the weigh-in and medical examination, during the opening ceremony in the ring, ready to fight in the ring within 1 minute of being called up, group photo at the end of the event and the post-bout medical check.
